

No. 12 Okefenokee Municipal G.C. 188 Yards. Par 3

Success in this primeval setting requires that one cloak oneself in a sheath of concentration which cannot be penetrated by the eerie cries, guttural rumblings and blood-chilling slitherings of various swamp creatures. While not terribly difficult, there is a generally mournful aura to the whole affair, and par or better always is a triumph for the spirit. Number 15 handicap.
