

**No. 16 St. Ludwig's Royal Bavarian G. & Hunt C.
291 Yards. Par 4**

A testing, but picturesque hole, typical of the legendary course designed by King Ludwig II. A fanatical but totally inept golfer, the Royal Teuton eventually yielded to insanity over his inability to cope with the course which he had created. One day after four-putting this green, "Mad Ludwig" hurled himself screaming from the precipice. Number 4 handicap.
