

Niagara Falls Golf & Barrel Riding Club

This hole is a great test to prepare one for the adventurous 18th across the rim. Here one must pit himself and ball against shifting distances, whirlpools, waterspouts, downdrafts, fog and even rainbows. Once on the green however, each putt must be exquisitely timed to the MAID OF THE MIST'S lurching decks. And by the way, watch out for runaway golf carts. Personally signed by the artist. Overall size ca. 18" x 24" (ca. 45 cm x 61 cm)
