

No. 1 Victoria Falls G.C. 168 Yards, PAR 3
Sir Peregrine Hunnicutt, O.K.E., one of golf's patriarchs in Southeastern Africa, calls this "by all odds, one of the challenging holes in our part of the continent." The confident player may go for the green but the tee shot must be struck with crisp authority in order to avoid perhaps considerable inconvenience in the depths which separate tee from green. Number 7 handicap.
