

As Darkness Beckons - Le Mans 1971

In a race of attrition, the Martini Racing Porsche 917 K driven by Gijs van Lennep and Dr. Helmut Marko scored a deserved victory from the similar JW entered machine of Attwood and Muller. The lightweight 'magnesium car' took the lead in the 13th hour and after crossing the finish line for the final time it had covered a total distance of 3315 miles at an average speed of 138 mph, both Le Mans records. The scene depicts the winning car leading the third placed Ferrari 512 M of Posey and Adamovicz and the Attwood and Muller Porsche as they negotiate Mulsanne Corner. Each print has been individually hand signed by Gijs van Lennep and Dr. Helmut Marko
